

Brentwood High School Hall of Fame Announces New Inductees

Each spring, the Board of Trustees for the Brentwood High School Hall of Fame (HOF) accepts and carefully reviews alumni nominations for the purpose of identifying individuals who have achieved distinction in their career or in their community contributions.

Submitted nominations include a biography outlining an individual's career responsibilities and accomplishments, any published works, presentations, awards and recognitions as well as descriptions of their service to the community or local non-profit organizations.

We are pleased to announce recent elections to the HOF. They include:

Hall of Fame Class of 2019

Gary M. Fajak, '76

Melissa Milanak, '99

Hall of Fame Class of 2020

Joan Herron, '68 (deceased)

Kevin White, '72

Thomas Gill, '76

The Hall of Fame plans to welcome new members and their guests during a biannual Induction ceremony scheduled for October 3, 2020. The HOF Board will review PA Department of Health guidelines/recommendations and may elect to delay the HOF Induction banquet should the current pandemic continue to pose a health risk for large social gatherings.

Congratulations to these deserving BHS alumni!
