

Hall of Fame Announces Recent Inductees

The Hall of Fame announces a new class of inductees each year. Normally that was in the spring. With COVID related issues, that schedule was interrupted. In 2024, the schedule resumes.

The Hall of Fame Board of Trustees review alumni nominations for the purpose of identifying individuals who have achieved distinction in their career or in their community contributions. Submitted nominations include a biography/resume outlining an individual's career responsibilities and accomplishments, any published works, presentations, awards and recognitions as well as descriptions of their service to the community or local non-profit organizations. Testimonials from peers in an organization are valuable. Please consult the Nominate link on this website for specific instructions.

In addition to the alumni honorees, the HOF welcomes two awardees who fulfill the guidelines of these categories.

The Circle of Excellence Award was initiated in 2012. It recognizes educators whose leadership and dedication have resulted in widespread esteem and longstanding appreciation among BHS graduates.

The 2024 awardee is Nancy Kaminski, RN.

The Spirit of Community Award was established in 2016. It honors an individual alumnus, or group of alumni, who have made valuable contributions to the Brentwood Community.

The 2024 awardee is The Reinhart Family.
